

DEN & SHELTER BUILDING

**BEAR & LAPOR
CREATIVE OUTDOOR LEARNING**

Den & Shelter Building

What does it involve?

This one day course will enable delegates to experience a range of skills and techniques for building dens and shelters. By the end of the course they will have:

- Collected, sorted and used natural materials to build different types of dens & shelters.
- Used a variety of man-made materials - tarps, covers, tents, curtains, etc. to create different dens and shelters.
- Used simple knots to help them create the above dens & shelters.
- Discussed how these ideas may be applied in their role.

In addition, we will explore links to the National Curriculum, topics and books / stories.

Target Audience

- Teachers, Teaching Assistants & Early Years Practitioners.
- Outdoor Practitioners.
- Forest School Leaders.
